

## The Furniture Makers' Company the furnishing industry's charity

### Be a part of us – help us get the word out!

Being a member of The Furniture Makers' Company gives you access to an unrivalled network of industry experts, united by a passion for the furnishing industry.

We appreciate that you may not have the time to become involved in one of our committees, events or projects, but there are so many other simple ways that you can help us.

The list below gives you some ideas but we would be delighted to hear your suggestions too!

- Tell your contacts about what we do, encourage and introduce new members
- Get involved with our fundraising activities – take a team, suggest ideas, maybe even sponsor something!
- Direct your clients, staff and contacts to our new website

[www.furnituremakers.org.uk](http://www.furnituremakers.org.uk)

and our video on the website [www.furnituremakers.org.uk/about/](http://www.furnituremakers.org.uk/about/)

- Follow us on Twitter [@FurnitureMkrsCo](https://twitter.com/FurnitureMkrsCo), link with us on [LinkedIn](#) and encourage others to do the same – we are using social media to alert people to all our news, which will be on the website
- Feed your news to us! Send copy, quotes, high res images, links - we will use it
- Put up our posters, and encourage your clients and contacts to do the same – freely available via our office, and you can see and download them here
