

The Furniture Makers' Company
the furnishing industry's charity

FREQUENTLY ASKED QUESTIONS

What can I expect from the day?

A great day of fun, the opportunity to meet others in the industry old and new, to entertain clients or reward staff. All profit from the day go to the industry's charity so every team entry helps us to help others.

What will we be shooting?

Clay targets are used. Guests are welcome to bring their own guns if they wish but for those who do not have guns or prefer to borrow guns, an extensive selection is available. Cartridges are provided by the shooting ground.

I've never shot before, can I still take part?

Yes! Total novices are very welcome and we even have prizes for the best novice individual and team. Trained instructors are on hand at every stand to show you what to do and help you hit those clays!

What should I wear?

Just wear something that is comfortable and practical. Jeans are fine and comfy footwear is recommended as you will be on your feet for quite a long time. A waterproof jacket is recommended if the weather forecast is bad, and sunscreen if it is good! Caps, safety glasses and hearing protection are compulsory and will be provided by the shooting ground. A limited number of shooting vests are also available in various sizes.

Are refreshments included?

Breakfast, mid-morning snacks and a three course lunch with wine are included in the ticket price. There will be a cash bar available on return from shooting and after lunch.

How else can I support the charity on the day?

We have some great extra activities for you on the day – a cinematographic shooting cinema, the chance to shoot with a very special Holland and Holland gun, our usual raffle and auction and one or two other surprises! We also have sponsorship opportunities which will attract publicity for your company. Details are on the application form.
